

REMARKS

The Notice of June 22, 2005 requires certain new drawings and a change of the indication of the section lines in Figures 2-6.

The new drawings are submitted herewith, with the indication of the section lines changed.

The change in the indication of the section lines requires a corresponding change in the specification, which is made herewith.

As these changes are unquestionably in order, entry of this amendment under the provisions of Rule 312 is clearly proper and the same is respectfully requested.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
